A MESSAGE FROM THE PRESIDENT:

NOW IS THE TIME! If you have been thinking of becoming a member of the South County Unit 500 Board of Directors, please contact Issi Stefani at 925-485-3285.

The Board is made up of a maximum of twelve members who serve a two-year period. Meetings are held approximately once a month. The Board functions as a branch of ACBL, promoting bridge within its boundaries. Members work together to plan events throughout the year and the Sectional Tournament in August. If you have a little time to spare and a lot of enthusiasm, **we need you!** Current board members are listed on the back of *Table Talk* and will be happy to answer your questions.

Oodles of special games this month – higher points and even a splash of gold (team games) – check out the calendar and the individual club sections.

Mary Ramos
Unit 500 President

****

I would like to use this section to address our Unit 500 as the *Table Talk* editor.

From the editor: At my first meeting as a new board member, the subject of finding a new editor was presented. I volunteered to be the "interim editor" which started with the March, 2004 publication. My background was in business and assuming the position as editor was a new experience – I had no experience! The format was changed (not everyone was happy) to make it easier to publish and submit to our website. I want to thank all those who patiently allowed me to grow into the role. Over the years, I hope most of you have embraced the changes.

Working on *Table Talk* has been terrifying, exasperating and rewarding. These emotions were felt each month. No matter what happened in my life, *Table Talk* was published. There was always a sense of relief when it went "to print."

It is time for me to step aside and this edition will be my last one as the editor. Carla Francis, treasurer of Unit 500, has graciously agreed to take over. Please give her your support and encouragement.

I wish to express gratitude to all those who faithfully submitted their articles and reports. Bye for now and I will see you in the President's Message.

Mary Ramos
Table Talk Editor

Note: Joyce Morrison is the Board Member responsible for hospitality ("sunshine") and she mails condolences from Unit 500 to the families of unit members who have passed away and get well cards to those who are ill. Please let her know when you hear about such players. Telephone 510-728-1029 (leave a message if she's not at home) or via email at joycebobmorr2K9@SBCglobal.net

Members on the Move

Welcome to a big bunch of folks transferring in from other units: **Steve** & **Colette Castellino**, **Song Wang**, and **Alice Herceg**, all of Fremont (we must be doing something right there!), and **Kenneth King** of Castro Valley.

Moving up the Masterpoint Ladder

Congratulations to **Ivor Weller**: during the May STaC week he mined the silver he need to become a Life Master, and now he's Bronze (500+ masterpoints).

A Visit from an Old Partner (of several of us)

During its Saturday Swiss teams STaC game on August 26th, the Fremont Duplicate Bridge Center was pleasantly surprised by a visit from **Tom Fraas**. Tom played in games at many of our clubs for years, until 2002, when he moved to Sacramento and then to his native New York. He remarried, and we were sad to learn of the passing of his second wife earlier this year. Tom, a former United Airlines employee, was in the area for a United golf tournament at the end of August, and he stretched his visit by a week to spend time with his children, who live here.

Tom was a partner and friend of another frequent Fremont player (and co-director), **Wendell (Wayne) Smith**. I tried to dig contact information about Wayne for Tom out of my ACBL database, but it was woefully out of date (all I could remember was that Wayne had moved to Texas some four years ago). Then Tom remembered that Wayne had been married in the past to someone whose father had been a bridge player, and the nickel dropped: I suddenly remembered it was **Fred Shehab**, with whom several of us have partnered at the Redwood Bridge Center now that he's begun playing in the flesh and not just on line (where—on line—one of his partners is…Wayne!). I *was* able to give Tom Fred's phone number; they connected, and I hope trust that Tom has now connected with Wayne, too.

Your faithful correspondent didn't know Tom very well, but I do have a favorite story about him. It was not long before Tom's departure from the Bay Area, back in'02, that I began playing duplicate bridge, first at the Piedmont Bridge Center but soon after that in Fremont. The then manager/director of the Fremont DBC, Peter Cheung, sort of took me under his wing, and in return for his agreeing to play with me in games outside of Fremont, in which he would give me stern Zen master-like instruction, I was to be the on-call fill-in person for his Saturday Fremont game. Not long after we agreed on this arrangement, Tom, a regular player at that club, arrived without a partner, and at the last minute I was assigned to play with him. With no time before the beginning of the game to put together a card, Tom asked me what my general approach was, including whether I played Two over One. I paused uncomfortably for too long a time and finally blurted out something like, "Uh, sure; you bid one of something, and then I bid two of something, right?" (I don't think I'd even heard of 2/1.) He quickly responded that we'd probably better play Standard American, and he had the wisdom to ask me whether I played that. "Sure," I said, and we began the game. After not many boards he put down his cards, frustrated with my rapidly accumulating errors in bidding and play, and with not too well disguised disappointment, he leaned forward on the table and said, "*You* don't play Standard

American." That was the last time that we played, and I hope that that wasn't a big reason why he departed the area. I told this story to Tom last month; not surprisingly, he didn't remember the incident, and (or but) he got a kick out of it.

Tom is now living part of the year in Buffalo and snowbirding in Clearwater, Florida. If you'd like to get in touch with him, his e-mail address is tjfraassr@yahoo.com. His Florida address is 15777 Bolesta Road, No. 137, Clearwater 33760.

New Bridge Class for Beginners Starts This Month

Tell your non-bridge-playing friends—as well as those who who've been playing for decades—that another chance to learn modern bridge has arrived. On Tuesday afternoon, October 3rd, I'll begin teaching another edition of Audrey Grant's Bridge Basics 1: An Introduction, at the Fremont Senior Center (40086 Paseo Padre Parkway). It's an eight-week course that'll set players on the Right Path for playing bridge (five-card majors, Convenient Minors, and lots of tips on playing and defending hands). The classes are two hours in length, from 12:30 to 2:30 p.m., and include playing set hands as well as lecture. Contact the Senior Center (510-790-6600) for information about registration.

With any luck I'll be able to offer the same course this fall in the evenings at the Castro Valley Adult School, but that's not a sure thing yet. People interested in learning bridge through the Audrey Grant approach, using her latest materials, should enroll in the Fremont Senior Center to be sure.

Special Club Games This Month

- October is ACBL's Club Appreciation month. It's never been clear to me who's supposed to be showing the appreciation (ACBL, by reducing table fees? Club directors, by doing the same? Players, by turning out for games?), but the month is celebrated by clubs' holding special games (with increased fees), in which, if you do well, you can earn gold masterpoints—maybe even 0.5 of 'em in a single game!—along with red points, all in the comfort of your local club, without having to drive half an hour or more to a regional tournament to win points of those colors. Check with the clubs (and the calendar of this issue of *Table Talk*) for their offerings.

Note: The information that appears in this column is gleaned from my reviewing the results for sectional and regional tournaments in District 21, as well as the occasional national championship. To make sure that I haven't overlooked your name (and performance), or to let me know of tournaments that you played in *outside* of our district, please get in touch with me, at LSJ63@ yahoo.com or 510-538-9889.

Great Western Swiss Teams STaC VII, August 21–27

South County players did well in silver point Swiss teams games during late August's STaC (Sectional Tournaments at Clubs) week, both in our unit and beyond. Note that this year's results include victory points;

to understand their significance, keep in mind that most of these games consisted of four rounds of play, with the possibility of winning as many as 20 victory points per round, for a total of 80. Thus, for instance, a team's amassing a total of 63 victory points over four rounds in a sense corresponds to a 78.75% game.

Here are the big winners. And biggest among them is **Chuck Wong**; he led all Unit 500 players in silver points earned during Swiss STaC week, with 17.51. This placed him 17th among the 6,013 players who earned masterpoints in all of the Western Conference Swiss team games that week. **Tom Nugent** was 85th, with 10.77, and **Jim Kelsey** was a skosh behind Tom, in 86th.

District 21 All-Western Championships, Hyatt Regency Hotel, Santa Clara, August 28–September 4

One of the first events to kick off this popular Bay Area regional tournament was the first bracketed knockout teams, the Kit Carson. Teaming with a couple of players in my Friday afternoon Bayshore Bridge Club game, your faithful correspondent and **Margaret Halland** survived into the finals and missed coming in first by our opponents' bidding and making a 6 Club contract that one of our teammates heroically bid to 7 NT and went down 1; ah well, 16.06 gold points wasn't a bad way to start the week. While we were in our third round, on Wednesday afternoon, **Dan Wong** was pulling down third place overall in the side game, and **Darlene Mayhew** was sixth in that event. In that evening's Swiss teams **Bill Hodges** & **Civia Rudman** were tops in strat B and third OA; **Steve Chen** & **Yi-Qun Jin** tied for sixth.

On Thursday afternoon **Helen Wood** tied for third OA in the 299er pairs, and in the same room regular Weekes Park players **Mike** & **Mary Lubin** claimed second OA in the 99er pairs; winning her first red points, **Jo Callahan** placed fourth OA. In the Thursday evening Swiss, **Dave** & **Joyce Denyven** & **Trudie Sinclair** were first in the B strat and tied for second OA.

The long Labor Day weekend began with the two-session Friday's senior pairs, and **Nai-hsien Mao** & **Jim Harper** placed sixth in strat C. That afternoon **Virginia Herring** and **Vince De Pasquale** ended their run in bracket 2 of the Daniel Boone KOs with a third-place tie; the all-South County team of **Joanne** & **Robert Wegsten**, **Ivor Weller**, & **Judy Allrich** accomplished the same in bracket 3. Meanwhile **Bill Beeson** was pulling down sixth OA in the 299er pairs. In the Friday evening Swiss, the team of **Terry Terzian**, **Jim Kelsey**, & **Chuck Wong** placed third overall.

On Saturday morning I continued my directing duties at the tournament and was assigned to the 299er pairs; in that event I finally met **Charlie Conrad** & **Tina Chen** of Castro Valley, charming folks who came in third OA. **Bin Liang**, our newest Life Master, and frequent partner **Song Wang** played in both sessions of Saturday's open pairs; they ended up second in strats B and C and fifth OA; **Venkat Sivasankaran** & **Jey Jeyakumar** were third in C. In that afternoon's side game, the **Ivor** & **Judy** paired and placed fifth in strat C. Meanwhile **Gary Peck** was winding up a nice run in the Annie Oakley KOs with a tie for third in bracket 1, and that evening **Trudie** was on the team that won bracket 3. Saturday also was the day for the compact KOs, and **Nai-hsien** & **Jim Harper** won bracket 2.

The tournament's signature event, the All Western Championship open pairs, began on Saturday with two qualifying sessions; the 50-odd fortunate (and skilled) pairs advanced to the two-session finals on Sunday and included **Steve Castellino**, who placed 27th.

The final day of the tournament was Labor Day, and in that day's premier Swiss teams event, the A/X flight, **Jey Jeyakumar** & **Jim Kelsey** placed second in X and tied for tenth OA. In the B/C/D Swiss, **Vince** & **Virginia** came in eighth in the B strat. Finally, in that day's senior Swiss event, **Jan Hollowell** & **Penny Cobleigh** were on the team that placed second in C and fourth in B.

Sacramento Fall Sectional, Orangevale Community Center, September 15–17

In the featured pairs event, the Saturday open pairs, **Nancy Boyd** had an impressive 60.20% game, earning her fourth place overall among the 68 pairs competing—and 6.75 silver masterpoints. In Sunday's premier Swiss teams flight, the A/X, her team placed sixth overall.

Profile of Preston Mendell

Preston Mendell is one of those rare native Californians; he was born and raised in San Francisco, graduated from USF with a degree in Business (1953). For twenty years he served as a Deputy Assessor for San Mateo County; next he attended Lincoln University, receiving a law degree in 1976 (Criminal Juvenile Attorney), then served in Alameda County for several years. After marrying (he is now a widower), he and his wife raised three children – Paul, a contractor; Carol, a housewife; and Janet, a family counselor. He also has six grandchildren and three greats!

At age 25 Preston's mother-in-law insisted he and his wife learn that "wonderful game called Bridge!" As the years rolled along he eventually started playing some duplicate with his brother who lives in Reno. In 1998 he joined the ACBL, receiving six red points with him. (Imagine – reds before blacks!) His brother is a professional poker player. Since 2004 (when he joined Terry's Monday games), he also started participating in Jim Broaddus' Wednesday/Friday games in Hayward and Castro Valley. He has lived in Hayward for several years. Preston also went on a couple of Terry's bridge cruises. He and Jim have played in the last couple Hayward Sectionals, placing 1st and 2nd (this last one in a Swiss Event with Jim, Doris Matteson and JT). In the last couple of years he has now accumulated twelve red and gold points with his professional poker playing brother! His favorite area players are Jim Broaddus and Doris Popky (more on her later).

At age 76, he is retired (plays bridge of course), has traveled and cruised to Alaska, Mexico, England, Italy, France, Morocco, Spain, Belgium, Germany and Japan – all in one day (JUST KIDDING!)

Two other favorite hobbies have been Chess and Scrabble. Years back he played tournaments in both.

Now to the exciting present and future of Preston Mendell - he met Doris Popky ONLINE! After communicating for a time, they met in person (I think it's called dining and dating)! He eventually convinced her to learn duplicate bridge and plays with her sometimes on Mondays. At the end of October, he and Doris are purchasing a mobile home together and moving to Rohnert Park where both have family members nearby. Doris enjoys cooking, traveling, reading bridge books and is planning a most unusual kitchen, dubbed "a Serious Kitchen" by Preston.

To both, we say "Bon Voyage" and wish them a happy life filled with good travels, good bridge and, of course, good serious cooking by Doris.

Confucius say: Listen carefully to advice given by mother-in-law when age 25. Rewards later in life!

Want to learn bridge (or have friends who want to)? Learn it the Easybridge way—

- ♣ with other newcomers to the game (no one with more than 20 masterpoints* permitted)
- ♣ with the emphasis on learning by playing (rather than lengthy lectures)
- ♣ with a quiet playing environment (no distraction of another game going on in the same room)
- ♣ with supervised play in an ACBL-sanctioned, masterpoints-awarding game (have a question about what to do, at any time? Just ask!)
- ♣ with friendly table fees (why should newcomers have to pay what the pros pay?)
- ♣ with truly free refreshments (no contributions asked)

Our new game is off the launching pad, but it's not too late to catch a shuttle and catch up with us before we go into orbit. To join in, come to the commodious Fremont Senior Center on Tuesdays at 6:30 p.m.—and tell your friends! Games are free (no table fees at all) through October 3rd. And that's the day we start awarding masterpoints.

*For the Weekes Park Easybridge Club, the masterpoint limit is now 30.

CLUB APPRECIATION SWISS TEAMS GAME:

Tuesday October 24 10:30 AM

Hi Folks,

Several years ago the ACBL instituted some special annual games during the month of October as a “thank you” to its sanctioned clubs. These games carry very high masterpoint awards and I will be conducting a goodly number of them this month, as follows:

October	**4**	**CLUB APPRECIATION PAIRS GAME**	**10:30 AM, Lakeside BC**
	9	**CLUB APPRECIATION PAIRS GAME**	**1 PM, Redwood BC**
	11	**CLUB APPRECIATION TEAM GAME**	**10:30 AM, Lakeside BC**
	17	**CLUB APPRECIATION PAIRS GAME**	**10:30 AM, Marina BC**
	24	**CLUB APPRECIATION TEAM GAME**	**10:30 AM, Marina BC**
	30	**CLUB APPRECIATION TEAM GAME**	**1 PM, RBC(Open Section Only)**
30		**(regular pairs game, non-Life Masters)**	**1 PM, Redwood BC**

Club Appreciation Pairs Games (shuffle-deal-and play) award black points at 100% Sectional rating, while the Club Appreciation Team Games (Swiss Teams) award **5% gold points** to a maximum of 0.25 gold per player (the remainder of the award is black at 100% Sectional rating). Table fees will be the same as usual in the pair games, with an additional $1.50 per player in the team events. These will be some of our biggest masterpoints games for all of 2006, with a splash of gold in the Swiss Teams games. *Make plans to attend!*

Special ½-price Nights at the Redwood Bridge Club!

In an effort to breathe new life into Tuesday night bridge at Redwood BC, I am offering the following special promotion during the month of October:

$3.50 table fees with a minimum of 7 tables in play

That's right, table fees will be just $3.50 per player with a minimum of
7 full tables in play. With less than 7 tables, the usual table fees of $7
will apply. This promotion will be in effect each Tuesday night in October including the 24th which will be a Unit Game (BIG masterpoint awards).

Please note the Redwood BC will be **closed** on Oct. 31 (Halloween).

****Important Note**: Advance reservations are **required** on Tuesday evenings. If you intend to play you must phone or e-mail me in advance to indicate your intention to play. We often don't have enough players for a game and we wouldn't want you showing up only to find there is no game. So please call (510 581-4424) or e-mail (terryterz@comcast.net) me prior to 4 PM on game day (and preferably the day before). A decision will be made by 5 PM as to the status of that night's game, and everyone will be notified. Thank you for your cooperation.
